House 406 Pia

In a quiet area, villa of approximately 110 m², atypical due to its turret, its exposed beams and its Mediterranean tiles, offers you a living room of an exceptional surface area with fireplace, a fully equipped open-plan kitchen, a bedroom with cupboard and a bathroom with toilet. This level leads to a staircase which leads you to the turret serving 2 floors of approximately 11 m² which can be used as a bedroom. A garage is added to this property. This wooded plot of approximately 900 m² is suitable for swimming pools. Work is to be planned to finalize the potential of this villa.
